

MINNIE AND MOO AND THE THANKSGIVING TREE

Name _____

How many animal legs were in the tree when this many were left?
Use the space below to draw and solve the problem.

chickens
and the
rooster
4 in all

2 Holsteins
and a big
steamer
trunk

2
turkeys

1 ostrich, 1 duck, 2
geese, 1 pig, and
2 sheep

Minnie and
Moo

Work Space

Number the animals in order of how they hid in the tree:

 <p>chickens and the rooster</p>	 <p>Holsteins and a big steamer trunk</p>	 <p>turkeys</p>	 <p>ostrich, duck, geese, pigs, and sheep</p>	 <p>Minnie and Moo</p>

In your opinion, what was the funniest thing in the tree? Why?

What things fell from the Thanksgiving tree?

Circle the right answers:

pie

egg

stuffing

gravy

milk

bread

Tofu

sweet
potatoes

pig

cranberries

honey

apples

How did the animals fall out of the tree?

Circle the right answers:

squealed

bounced

buzzed

walked

fell

sang

hopped

quacked

squawked

ran

jumped

flew

What did Moo say spring would bring? _____

Winter is made warmer by what, according to Minnie?

What are you thankful for?
