

# MINNIE AND MOO AND THE THANKSGIVING TREE

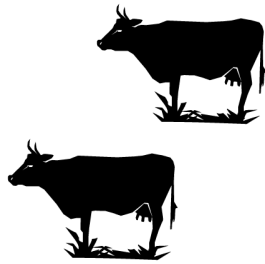

Name \_\_\_\_\_

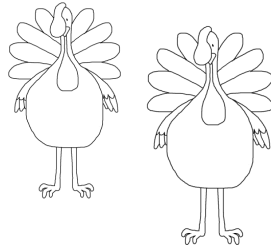

How many animal legs were in the tree when this many were left?  
Use the space below to draw and solve the problem.

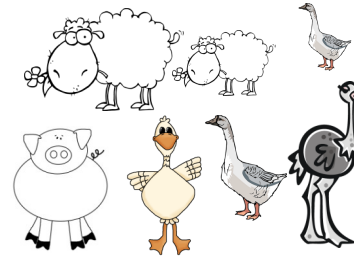

chickens  
and the  
rooster  
4 in all

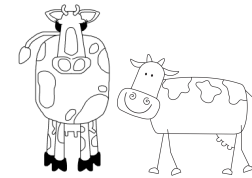

2 Holsteins  
and a big  
steamer  
trunk

2  
turkeys

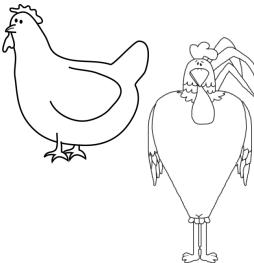

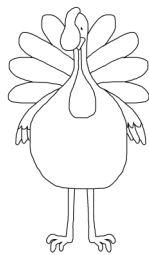

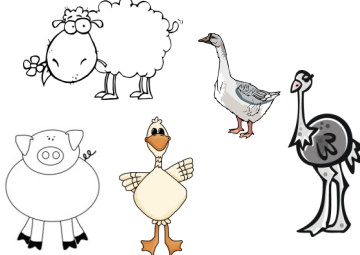

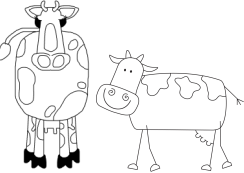

1 ostrich, 1 duck, 2  
geese, 1 pig, and  
2 sheep

Minnie and  
Moo

Work Space

Number the animals in order of how they hid in the tree:

 <p>chickens and the rooster</p>	 <p>Holsteins and a big steamer trunk</p>	 <p>turkeys</p>	 <p>ostrich, duck, geese, pigs, and sheep</p>	 <p>Minnie and Moo</p>

In your opinion, what was the funniest thing in the tree? Why?

---

---

What things fell from the Thanksgiving tree?

Circle the right answers:

pie                  egg                  stuffing                  gravy                  milk                  bread

Tofu                  sweet  
                                 potatoes                  pig                  cranberries                  honey                  apples

How did the animals fall out of the tree?

Circle the right answers:

squealed                  bounced                  buzzed                  walked                  fell                  sang

hopped                  quacked                  squawked                  ran                  jumped                  flew

What did Moo say spring would bring? \_\_\_\_\_

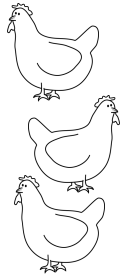

Winter is made warmer by what, according to Minnie?

\_\_\_\_\_

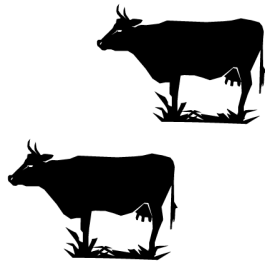

What are you thankful for?
