## Discussion Questions

1. Do we know what happened to the earth? What do you think happened?
2. Who is Augustine Lofthouse?
3. Why does Lofthouse want to warn the spaceship returning to Earth so it would not return?
4. The abandoned child appears and does not speak. What happened that may have caused her to not speak?
5. Describe the crew onboard the Aether.
6. In the book, Sully was not pregnant. In the film, they built the fact she actually was pregnant into the story. Do you feel it added tension and depth to the story?
7. Lofthouse goes to great lengths almost beyond human endurance to warn the people on the spaceship about the problems on earth. Why?
8. Lofthouse loses his dialysis equipment in an accident. How did that affect the story?
9. How does Sully describe K-23 to Lofthouse? When she says her name is Iris, what did that imply?
